Custom colors can be developed to your requirement.

Door Handing

How to Determine the Hand of a Door

Hand of door is always determined from the outside. Face the outside of the door to determine the hand. Here are some rules to follow:

- The outside of an exterior door is the street or entrance side.
- The outside of a room door is the hall side.
- The outside of a closet door is the room or hall side.
- To determine single-side handing for a communicating door, refer to the lever handing diagram.
- To determine single-side handing for dummy trim, refer to the lever handing diagram.
